NOTICE of RATE CHANGE for 2010

INSURANCE AND COST OF RIDES

We are pleased to tell you that this year **the only price rise is of £1 for one hour rides**: All other rides will remain as in 2009. The schedule below confirms the prices which will be effective from **Friday 1st January 2010**. Unlike many other riding schools we believe that we continue to offer great value with our younger riders, in particular, having time to engage closely with the preparation & care of the ponies and the opportunity to gain some understanding of farming and the countryside.

NB. Our insurance covers us for negligence but not for accidental injury to you. We strongly recommend you consider taking out your own cover for which we can give you guidance to implement speedily on-line.

Please note that the rates for 2010 will be as follows:-

ADULT	<u>1 Hour</u>	<u>£25</u>	2 Hour	£42 (unchanged)
CHILDREN (under 18)	<u>1 Hour</u>	<u>£22</u>	2 Hour	£36 (unchanged)
CHILDREN	½ hour	£15 (unchanged)		
CHILDREN – Parent Lead	½ hour	£11 (unchanged)		
PONY DAYS		£52 (unchanged)		

CANCELLATIONS – If less than 24 hours notice is given, all or part of the fee will be charged at management's discretion.

SAFETY HATS – To comply with the terms of our riding school licence all riders must wear a safety hat to British Standard PAS 015 or EN 1384.

If you do not have your own hat meeting one of these standards then we can hire you one for £1. Boots may also be hired for £1.
Back protectors are recommended.

We look forward to your continued friendship and support through 2010.
